

17 June 2015

The Website Marketing Group
339 Windsor Road
Baulkham Hills
NSW 2153

To whom it may concern,

William Vitorino worked with us between March and June of this year.

During this time William performed a number of roles in the areas of sales, customer service and events. Including manning our stand at our industry's digital marketing conference, ad:tech Australia 2015.

William was always early for work, despite a long commute, and was always good humoured and very courteous with our staff and customers.
